# HOW IT WORKS

rates are listed in USD. Payments are made in MXN.

**Step 1: Decide on your WORKSHOP FEE. This is how much you would like to make per participant.**

We recommend between \$500 - \$800 USD as your workshop fee. This will be the amount you make for each participant. Keep in mind that you'll have to cover the cost of your own flight.

**Step 2: Select the rooms you would like to rent and the number of participants you anticipate.**

See the chart on the next page for the price per room!

## Amount due to Casa Chango:

Add up the price for each room you would like to rent. \$1,000 non-refundable deposit is necessary to reserve the retreat center, and contributes to your overall total due to Casa Chango.

## Amount you make:

Multiply your workshop fee by the number of participants you anticipate. If you have fewer than 10 participants, make sure you include a room for yourself in the ones you are renting. Subtract the price of that room from the total.
